Dear Commissioner: This directive amends, but does not cancel, the directive issued to you on September 1, 1988, by the Chairman, Committee for the Implementation of Textile Agreements. That directive directed you to prohibit entry of certain cotton, wool, man-made fiber, silk blend and other vegetable fiber textile products, produced or manufactured in Sri Lanka for which the Government of the Democratic Socialist Republic of Sri Lanka has not issued an appropriate visa.

Effective on March 17, 1995 you are directed to no longer require a part-category visa for 340-O/640-O<sup>1</sup> for goods produced

Sincerely,

Michael Hutchinson,

### Notice of Extension of the Public Review Period for the Department of the Navy Draft Environmental Impact Statement for the Disposal and Reuse of Naval Hospital Long Beach, Long Beach, California and Notice of Availability of Specific Materials Referenced Therein

The public review and comment period for the Draft Environmental Impact Statement for the Disposal and Reuse of Naval Hospital Long Beach, Long Beach, California (DEIS) is extended until 5 April 1995. The reason for this extension is to make available for review and comment preliminary working papers that were erroneously referenced in the DEIS. The preliminary working papers, that were to be part of a joint City of Long Beach/United States Navy Draft Environmental Impact Report/Draft Environmental Impact Statement for the Closure and Demolition of the Long Beach Naval Hospital and Construction of the Long Beach Power Center Los Angeles County, California, were never completed or published and only exist as working papers. The responsibility for this error rests entirely with the
